OPEN LLM DAY 1.0

Workshop Preparation Checklist

To ensure you have a smooth and productive experience at our workshop, please make sure to come prepared with the following:

1. Personal Laptop 💻

- Bring your own laptop.
- Ensure it is fully charged and bring your charger.

2. MongoDB Account Setup 🗄️

- **Create a MongoDB account** and note down the following items:
  - **Database Name**: `your_db_name`
  - **Connection Name**: `your_connection_name`
  - **Collection Name**: `your_collection_name`
  - **Index Name**: `your_index_name`
- Refer to the [guide here](#) for detailed instructions.

3. Cohere Account Setup 🔑

- **Create a Cohere account** and keep your API key ready.
- Follow the [guide here](#) for step-by-step instructions.

4. Hugging Face Account Setup 🤗

- **Create a [Hugging Face account](#)** and have it ready for use.

Additional Tip:

- **Bring any additional accessories** you might need, such as a mouse or external keyboard.

We look forward to seeing you at the conference!
